

GENERAL INFORMATION ON THE TEST

- The duration of the test is 1 hour and 30 minutes.
 - Please do not unstaple the test. At the end, you will return the entire test.
 - The questions are to be answered in the spaces provided.
 - You may consult your own written / printed materials (i.e. anything on paper, like printed slides or written notes), and use your own calculator.
 - No electronic devices (cell phones included) are allowed. Any such devices must be switched off and stored out of sight.
 - Contact or attempt to communicate with colleagues is not allowed.
 - You will begin and end the test at the same time, when such indications are provided by the teachers.
 - Please write your full name.
 - Please be aware that failure to comply with these and / or other instructions may be considered cheating, and therefore subject to the penalties established by the Faculty.
-
- Regarding the Exact Methods, you will not be asked to manually apply the graphical method. However, if you are given a graph, you may be asked to identify, for instance, the feasible region and / or the optimal solution.

GOOD LUCK!!
